

# NORTHERN LIGHTS FESTIVAL BORÉAL

- Environmentally friendly: Water Buggy - NO more bottled water at our Festival.
- Educate the community about the economic and environmental futility of bottled water.
- An environmentally-conscious social enterprise.
- To provide other events with effective hydration, free from water bottle waste.

## *HELP US...*

- To protect our lakes, rivers, parks, creeks and wetlands.
- To protect and connect with nature.
- To engage people in the community on the issue of watershed conservation.
- To increase the sustainability of events, organizations and our relationship with the environment.

**Sustainable water solutions  
for festivals and events.**
